

- **Read and Share: EPA Regional Impacts -**
<http://www.epa.gov/climatechange/impacts-adaptation/>
 - 8 Groups - Alaska, Islands, Southwest, Southeast, Northeast, Northwest, Midwest, Great Plains
 - Address:
 - What are my regional concerns about climate?
 - How can I adapt in the future?
 - What might be the cost and opportunities of adaptations?
 - How does this compare to my partner?
 - What interests do we share in adaptation and mitigation policy?
- **Read and Share: EPA Impacts and Adapapation Part II:**
<http://www.epa.gov/climatechange/impacts-adaptation/>
 - 7 groups - International, Forests, Transportation, Energy, Agriculture, Society, Water Resources
 - Address:
 - What are major concerns for this section?
 - What are adaptations?
 - How are my issues connected to my partner's?
 - How do these issues compare to the regional issues from last time?
